MESSAGE.....

THANK YOU for your continued support and patience as we to navigate LifeBridge services during these unprecedented times.

We were SO excited about phasing back into small group events during the first 2 weeks of February, however Snowpocalypse 2022 had other plans. We will still be limiting group sizes and transportation services depending on the vehicle size.

Clients and staff will be REQUIRED to wear a KN95 mask that LifeBridge will provide. We will practice frequent hand washing as well as disinfecting high-touch surfaces.

On page 2 you will find programs being offered between February 14th to February 28th. For March, we are hoping to go back to planning the whole month instead of 2 week increments. Stay Tuned.....

As always, LifeBridge is committed to supporting our clients with safe, dynamic, and inclusive services as our resources allow.

Please reach out to a member of our team with any questions or concerns.

1 on 1 COMMUNITY ACTIVITIES

LifeBridge will continue to provide community programs for 1 client & 1 staff at a time. This opportunity includes transportation to visit a venue of your choosing for 1-2 hours. Client and staff will be provided with a KN95 mask and practice safety protocols such as frequent hand cleansing and social distancing. Client will be responsible for transportation and their activity costs and meals if applicable.
