After Hours Emergency Line 314-778-0822

If you are trying to reach a staff member by phone, please leave a message and allow up to one business day for a return phone call before calling again. Calling the office repeatedly does not get your phone call returned faster and may lead to suspension of services.

If you have access to email, be sure to let LifeBridge staff know your email. In most cases email is the quickest way to communicate with staff concerning program planning and questions.
