PLEASE READ.....

There's been a lot of confusion regarding the program confirmation process. First and foremost, you **ARE NOT** guaranteed to attend every program you have registered for. Signing up for events is not on a first come first served basis. Once the program registration period ends LifeBridge will coordinate transportation and support staff for each program. If approved for a program you will receive a confirmation email, text or call.

If you have any questions or need further explanation, please see our contact information on the next page. Hopefully this will provide some clarification!

NOTE:

*Clients attending the Busch Stadium **MUST HAVE A CREDIT OR DEBIT CARD** for purchases OR you can bring your own food/drink.

If you are trying to reach a staff member by phone, please leave a message and allow up to one business day for a return phone call before calling again. Calling the office repeatedly does not get your phone call returned faster and may lead to suspension of services.

If you have access to email, be sure to let LifeBridge staff know your email. In most cases email is the quickest way to communicate with staff concerning program planning and questions.
