ANNUAL REPORT-- FYE 2016

## Mission

Empowering people with disabilities to develop skills for independence and to actively participate in the community.

## Programs and Services

LifeBridge Partnership's overriding philosophy is to provide opportunities for children and adults with disabilities to live full, productive lives. In 2016 we provided 10,525 units of service and 5,802 accessible one-way trips. LifeBridge provides support services to children and adults with disabilities through a variety of community based recreational programs and activities:

- **LifeBridge Camps** provides children and young adults an opportunity to become active participants, rather than observers. Using adaptive equipment and techniques, children participate in a variety of activities including, but not limited to, sports, music therapy, art therapy, and martial arts. LifeBridge currently offers two week long camps in the summer, a Winter Break Camp in late December, and a Spring Break Camp in March.
- Our **Youth Recreation** program is comprised of three groups: Stars (ages six to thirteen), Young Adults (ages fourteen to twenty-one, if still in school), and a St. Charles County group. Weekly Youth Recreation activities provide participants with opportunities to become part of the community through visits to venues throughout the St. Louis metropolitan area. Over the course of a year, our Youth Recreation participants may visit the Zoo, explore the St. Louis Science Center, cheer on their favorite team, or create a work of art in a pottery class.
- The **SPARK Club** after school enrichment program is held four days per week for student at Gateway Michael School in the City of St. Louis. The main goal of the SPARK Club is to encourage students to feel comfortable and have fun in an environment focused on individual abilities. Students participate in two hours of enrichment activities to build sporting skills, participate in art therapy, go on field trips, and build self-esteem.
- The **Out & About** program provides adults with support services they need to be active in the community and in their pursuit of skills for independence. In cooperation with LifeBridge staff, participants initiate and coordinate recreational and educational activities at venues through the St. Louis metropolitan area. Through these activities participants learn to navigate the community, develop skills essential to independence, build relationships, and lead an active community life.

Our support services not only provide a direct benefit to participants, but they also build community awareness regarding accessibility, provide advocacy for individuals with disabilities and offer respite opportunities for caregivers.

## Board of Directors 2016

Sarfraz Nabi, President  
Michael Harrison, Vice President  
Phil Kurz, Treasurer

John Adams  
Rachel Balbach  
Nathan Bartlett  
Sara Berhie  
D. Jeffrey Clark  
Julia Dummit

Angel Goldberg  
Philip Jones  
Amy Lewis
