LifeBridge Partnership ~ 1187 Corporate Lake Dr., Suite 100 ~ St. Louis, MO, 63132 ~ 314-989-1188

LifeBridge is pleased to announce the beginning of something new! With the recent closure of the Youth Recreation Program, we are focused on keeping our LifeBridge friendships and families connected. Over the next year, we are going to host a series of “Family Fun Connections”. At each Connection, LifeBridge will create an environment that allows you to see your child continue friendships they have gained through attending LifeBridge services. Connections will also allow an opportunity for you to connect with other families in friendship and community.

*Family Fun Connections*

Our Connections will be hosted at community venues with activities provided by LifeBridge. Activities may include group games, crafts, music, and open play! Your entire family is encouraged to attend and at least one adult must remain at the Connection. LifeBridge will not be providing individualized supports and/or staff as well as transportation.

Connections will be offered in conjunction with the county that you live in. We ask that you only attend events that are in your county (St. Louis County, St. Louis City, or St. Charles County). You must RSVP for each Connection and a small fee may apply to cover program costs.

April Connection: St. Charles County families, Sunday, April 22, see flyer for details

June Connection: St. Louis County and City, dates TBD
