

IGNITING THE FUN IN
EVERYONE

SEEKING VOLUNTEERS

SPARK Club is an afterschool enrichment program that is held at Gateway Michael School in the City of St. Louis off Jefferson Rd. (just minutes from SLU Campus).

SPARK Club is held Monday-Thursday from 3p-5p and provides activities including sports, music and art therapy, cooking, and much more!

Volunteers are needed to assist with daily activities, provide support to students, and assist with field trips. LifeBridge is seeking volunteers who are able to commit to a monthly or weekly schedule with this program. This is a great opportunity to fulfil community service hours for school or work!
